Use two-letter spaces

This is the style file for the format of Users' Reports [1]. Fonts of Times, Times New Roman and Symbol are applicable to your reports, including figure legends and blank spaces. The font sizes and styles for your reports are listed in Table 1 [1, 2]. In addition, the examples for references are shown in the end of this draft [1-3].

At the beginning of each paragraph, two space characters should be inserted as an indent.

Regarding the beamline name of UVSOR, no hyphen between BL and its number is needed.

Regarding the Figure, "Figure #" and "Fig. #" should be used at the beginning of sentence and in the sentence, respectively.

Main text: 10 pt

Submit the original files for the figures. Use letters of 8 pt or larger in figures.

You should put a period after the figure number. (ex. Fig. 1.)
